## Professional Underscrub T-Shirt

The Eddie Short Sleeve Shirt is the ultimate combination of comfort, performance, and sustainability—crafted for healthcare professionals who need comfort through long shifts and demanding environments. Say goodbye to discomfort and hello to all-day freshness!

Made in Spain, Eddie is the perfect shirt for healthcare professionals who seek quality, comfort, and sustainability. Whether worn under scrubs or on its own, Eddie provides everything you need to deliver exceptional care without compromise.

Color: Essence White

### Certificates

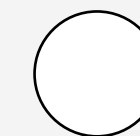

## Features

- Premium Blend – 65% Polyester + 35% Cotton for softness, breathability, and lasting durability.
- Stay Cool Under Pressure – Automatic cooling technology keeps you fresh and dry, no matter how long the day lasts.
- SilverPlus® Antibacterial Power – Keeps you odor-free and fresh, providing ultimate protection from bacteria.
- Vortex Anti-Pilling Yarn – Ultra-resistant and hypoallergenic, perfect for sensitive skin.
- Sustainable Design – Washable up to 60°C, no microplastics or fibers released, and built to last, reducing your environmental footprint.
- Effortless Care – Easy to iron, low-maintenance, and always sharp, so you can focus on what matters.
