Women's Antibacterial One Pocket Scrub Top

Gear up for your shift with the Florrie and feel the power of innovation and comfort working for you! Inspired by the legendary Florence Nightingale, this scrub is all about making a difference—just like she did in the world of nursing.

Every inch of this scrub is designed to keep up with your busy day: soft, breathable fabric that hugs you with comfort, automatic cooling that keeps you fresh, and odor control that has your back—no matter how long the day gets. Long shifts? No sweat. The Florrie is built tough, surviving multiple washes at 90°C and still looking sharp!
