## Women's Organic Softstyle Professional Joggers

Designed for professionals who need comfort, style, and eco-friendly performance, these joggers are here to keep you feeling fresh, comfortable, and confident all day long. Whether you're running to check on patients or sitting down for a quick report, Gerty's got your back—literally!

Crafted with 85% organic cotton and 15% recycled polyester, they offer the perfect combo of softness, durability, and planet-friendly vibes. The semi-fitted design ensures you look sharp while maintaining freedom of movement. And with pockets for your essentials, you can stash your phone, pens, or ID cards while keeping your hands free to do your magic!
