

# Harvey

## All Rounder Premium Footwear

Step into unstoppable energy with the All-Rounder Harvey Shoes, built for those who never slow down—just like the groundbreaking circulatory system William Harvey unlocked centuries ago.

Whether you're hitting the city streets, battling an unexpected rainstorm, or embarking on an outdoor adventure, these shoes are ready for anything. AirTech™ and Drainsole™ technology ensure your feet stay dry and comfy, no matter the weather, while Sprint Laces™ and a cushioned sole offer all-day support that feels like walking on clouds. The slip-resistant outsole keeps you steady on any surface, all while maintaining a sleek, stylish look.

Color: Precision Grey

## Sizechart

To find the right shoe size, it's best to measure your foot at the end of the day.

Required: Measuring tape or a flat 30 cm ruler (or similar).

Barefoot or wearing the socks you'll use with the shoes.

1. Lay the measuring tape or ruler flat on the floor, extending at least 30 cm.
2. Place your foot on top of the tape or ruler to measure the length.
3. Measure the distance from the back of the heel to the tip of your longest toe.

Use this measurement to select your shoe size (do not choose a larger one). Important: Measure both feet just in case — one foot may be slightly longer than the other.

Choose your size based on the longer foot.

EU	UK	CM
36	3	23,4
37	4	24,1
38	5	24,7
39	6	25,4
40	6.5	26,1
41	7.5	26,7
42	8	27,4
43	9	28,1
44	9.5	28,7
45	10.5	29,4
