

## Niels Organic Softstyle Joggers

Your Workday, Made Effortless! Experience unbeatable softness, comfort, and stretch with the Niels jogger pants crafted specifically for healthcare professionals who never slow down.

Made from a premium blend of 85% Organic Cotton and 15% Recycled Polyester, these pants deliver unmatched comfort and durability during long shifts.

With four practical pockets and an adjustable waist drawstring, you'll have everything at your fingertips while enjoying an ergonomic, modern fit. Their breathable, moisture-wicking, and odor-control fabric ensures you stay fresh and comfortable no matter how demanding your day gets.
