

Rossie

Women's Artic Polar Fleece Jacketin

Inspired by the determination of Rosalind Franklin, the Rossie Micropolar Jacket is made for those who face each day with passion, commitment, and resilience. Just like Franklin revolutionized science, the Rossie redefines the balance between functionality, warmth, and style.

Rossie is not just a jacket, it's a tribute to perseverance and professional excellence. Because real change is made by those who never stop.

Color: Trust Navy
