Sweatshields™ Advanced Sweat Absorbing Headbands

In the operating room, during an emergency, or through a long shift, every detail matters. Sweatshields™ are designed for healthcare professionals who need to maintain focus and comfort during the most demanding moments.

Sweatshields™ are more than just an absorbent band—they are the key to ensuring nothing interrupts your precision during critical moments. Because in medicine, every second counts.

Color: Trust Navy

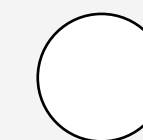

Features

- Superior Absorption – Say goodbye to sweat that interferes with your precision and performance.
- Thermal Regulation – Keeps your head at the optimal temperature for maximum comfort.
- Premium Fabric (Polyester + Cotton Flex) – Softness, elasticity, and maximum absorption.
- Worn Under Surgical Caps – Secure, discreet fit that doesn't affect your movement.
- Washable up to 60°C – Durability guaranteed even after multiple washes.
- Ergonomic and Breathable Design – Perfect fit without causing pressure.
